

To access the patient portal, please visit: [https://
mychart.chppoc.org/WNA/](https://mychart.chppoc.org/WNA/)

Please note that it is strongly recommended that patients 13 years and older have their own MyChart account (with their own email address). Parent/legal guardians of patients 18+ will additionally need written consent from the patient.

Accessible by patients 13+ years AND parent/guardian of patients <13 years (full access):

- Lab results
- Health form/school form
- Pre-physical questionnaires
- After visit summaries
- View allergies, medications, immunizations, growth chart, problem list
- Send non-urgent messages to their child's primary care provider
- Pay bills & view statements (only patient & guarantor accounts only will see statements, all others may 'pay as guest')
- Review, request, or cancel appointments
- Make a referral request
- Eligible to participate in virtual visits

Accessible by parent/legal guardian of adolescents age 13 years and older (limited access):

- Growth charts
- Immunization list
- Send non-urgent messages to their child's primary care provider
- Pay bills (if accessing parent is also listed as the Guarantor, otherwise 'pay as guest')
- Request appointments
- Make a referral request
- Letters and Health Forms
